

GEKI farbenfroh Mission

Statement:

To accept each child's individuality

To respond to each child's needs

To offer room for curiosity and motivation

To promote working in a team as well as increasing independence

To create a space where children feel safe and secure, and where they experience trust and adventure

To promote and sustain health

Our Environment

In our kindergarten you meet 7 groups

3 part-time groups - 7.00:13.00

2 full-time groups - 7.00:15.00

2 full-time groups - 7.00:17.00 (during the whole year)

Our tasks within the kindergarten complement the education within families

We offer a 'children forum' - a voice for the kids within certain fields

We cooperate with local inclusive care as well as other external educational partners

We adequately implement the educational frame plan in our transparent kindergarten work

We stay up to date with regular additional trainings

We constantly reflect on our offered services

We hold regular team meetings

We stay in touch by offering developing discussions with parents and assist with parental education
